

## **Gyro International District II Governors Annual Report-2021**

As with many other districts, clubs in ours have only met occasionally or not at all due to covid. All clubs are currently having regular meetings and I have had a visitation with all clubs except Milwaukee in the past month.

Davenport celebrated their 100 year anniversary this year. I attended their banquet on May 19th and presented them with their 100 year plaque. New officers were also installed. The club had a good turnout and started resuming their weekly lunch meetings the following Monday.

Dixon had their spring Barbeque on May 27<sup>th</sup> with almost all members in attendance. I installed 2 new members. They started their regular Thursday meetings the next week.

Madison had their annual Spring meeting on June 3<sup>rd</sup>. This was the first meeting they have had in 14 months. I installed 2 new members and new officers. They were resuming their regular lunch meetings in the next few weeks.

Clinton began their regular Monday night meeting on June 7<sup>th</sup>. They voted on 3 new members who will be sworn in at their next meeting.

Milwaukee has not had a regular meeting as of yet.

It was decided that no district dues would be collected this year as we had no expenses. The club presidents voted on Greg Farwell from the Clinton Club to take over as district Treasurer. There were no nominations for a Lt. Governor. The search for my replacement is still active. Discussion about a fall convention was also unsuccessful. A business meeting will be held but no club had interest in hosting or attending a convention. Next year is the Clinton Club's 100 year anniversary so there may be a chance for one then.

Respectfully submitted

Dan Blohm
