Why GYRO?

Become active within a club, if you like.
Lead projects, organize events and
make a difference.

Unwind with fellow members during
a casual, fun club gathering. It's all
about the fun and laughter!

Or fancy it up at the Gala Night at the
annual convention.

Bring your unique perspective and
experience to a club near you!

Gyroscope

The visible symbol of GYRO

Formed in 1912, Gyro International was
conceived by three friends who wanted to
spread the value of the unity of friendship.
They drew the name GYRO from the
navigation instrument called a Gyroscope
because it maintains its power, poise and
purpose despite outside influences. Thus,
the Gyroscope became the visible symbol
of GYRO.

Gyro clubs stretch from British Columbia to
Florida and Nova Scotia to California. These
clubs meet annually at an International
Convention to guide the affairs of the
fraternity and continue to emphasize how
universal the Gyro philosophy is...wherever
the gathering!

Expand your horizons and connect with like-minded people from across North America.
WELCOME TO GYRO INTERNATIONAL, WHERE FRIENDSHIP KNOWS NO BORDERS!
